### What is the Corporate Challenge about?

The Hybrid Corporate Challenge is part of the Northstar Meetings Group Challenge Event Series for agency, corporate and association event buyers. Running for 8 years the challenge event format is proven to create an environment *where imagination inspires business* and builds partnerships between buyers and event industry suppliers.

The Corporate Challenge is a modern business forum that brings together corporate meeting planners with venues, destinations and specialist suppliers to develop long-lasting relationships. It is a unique blend of creative team building and effective networking based on engagement through gamification. It is an opportunity for corporates to be inspired by a tantalising array of presentations in an energetic, informative and memorable way. It is the not-to-be missed corporate event of the year. There are huge benefits to attending the live event but for those that simply cannot get there and wish to be part of this exciting and worthwhile event, there is also a virtual option.

### Who attends:

Venues, destinations and event industry suppliers who would like to meet, network and share their product information with corporate buyers looking to place national and international event business. You will be able to network with up to 45 live corporate buyers and up to 20 virtual corporate buyers.

### Costs:
